

LOURDES PUBLIC SCHOOL AND JUNIOR COLLEGE, KOTTAYAM

NOTICE (04/09/2015)

Dear students,

In the light of the recent reports regarding the harmful effects of consuming vegetables laden with pesticides and chemicals, the School's Nature Club joins hands with *Nallapadam* project to supply saplings of *curry-leaf plant* to students who are ready to plant and nurture the sapling in their homes. Those who are interested may give their names to their class teachers on or before Monday, 7th September 2015.
