Lourdes Public School and Junior College

Lourdes Public School and Junior College is nestled in the heart of Kottayam town under the serene surroundings of Lourdes Forane Church. The School came into being in 1996 with the objective of providing high quality education to both boys and girls in the age group of 4-17 years against the background of true Indian culture and a healthy environment in which they imbibe a spirit of service to community and mankind.

STATUS

Lourdes Public School and Junior College is an English medium, Co-educational School recognized by the Central Board of Secondary Education (CBSE), New Delhi. It is acknowledged as a minority educational institution by the government of India through its minority commission in 2011. The School prepares students for All India Secondary School Examination (AISSE-10th) and All India Senior School Certificate Examination (AISSCE-12th).

MANAGEMENT

The school is owned and managed by Lourdes Education Trust on behalf of Lourdes Forane Church which belongs to the Archdiocese of Changanacherry. The Archbishop of Changanacherry is its Patron and the Vicar of Lourdes Forane Church is the Manager. The Manager, together with the trustee of the church manages the day to day running of the school.

CAMPUS

The School can boast of a sprawling building which houses a well furnished Administrative Block, Class Rooms, Science, Maths and Computer Labs, Kindergarten, and INFOZONE, a unique feature of the school. The campus also includes an extensive playground, a top class basketball court with ample facilities, a football ground and a vast parking zone.

CURRICULUM

The scheme of studies, the scheme of examinations and the courses of study prescribed by the Central Board of Secondary Education are strictly followed. Text books based on the scheme of the National Council of Educational Research and Training (NCERT) are taught from Class I onwards.

FACILITY FOR MEDICAL/ENGINEERING ENTRANCE COACHING

SCIENCE LABS

The school has fully established and well equipped laboratories for Physics, Chemistry, Biology and Mathematics. Students conduct experiments, demonstrations and project works. They are encouraged to do projects and experiments on their own under the guidance of well qualified teachers.

GUIDANCE AND COUNSELLING WING

Students must be free of tension and stress to develop a healthy personality and to excel in studies. With a view to provide a space for them to open their mind and to vent out their anxieties, the school provides a professionally managed guidance and counselling wing. Students in need are regularly called for counselling and helped to solve their problems.
